Sutra.my is an online hotel booking and travel website designed to bring the latest information and guides for booking flights, hotels and travel services worldwide.

Initially, this might seem like just another online travel website to add to thousands of currently existing travel websites out there - so finding a way to stand out was the most important aspect in the development of such a project. The use of new online technologies is one way to get ahead of the competition and to be in partnership with some of the biggest names in the travel industry is also an added bonus.

The new hotel and flight booking website aims to bring a wide range of services and will cater for large business groups, personal trips, family vacations and first time online travel bookers. It will also offer detailed and up-to-date hotel information and travel guides to the cities and countries that are

featured on the website. Visitors have to be given what they want in an instant, to easily navigate the system and to find exactly what they need without hassle. If the experience is a comfortable one, visitors will often share it with friends and come back to make bookings again in the future.

Visitors can find the destination country required and browse through the major hotel cities with the search engine, which all have detailed pages, hotel information, flight search and travel guides.

For more information on booking hotels, flight and car rentals, or to get a hotel featured on our website, please visit us at <http://www.sutra.my>.

YOUR *Go wherever you like and do whatever you want!* **ULTIMATE FREEDOM HOLIDAY STARTS HERE!**

The best holidays create lasting memories. When you make time to travel away with family or friends, you want to be able to focus on enjoying yourself.

At Sutra, our Campervan Holidays is an ideal way for people wanting to get out there and discover New Zealand independently. With no timetables or pressure, our New Zealand holiday packages enables you to enjoy New Zealand at your leisure with the assurance of a 5-star campervan!

New Zealand is a land of nature and a land of immense natural diversity. The scenic attractions alone – the stunning landscapes, glorious beaches, the up thrust volcanoes and spectacular geothermal activity – will leave you reaching for superlatives. There's the lush and diverse flora, the product of their temperate climate and geographic isolation.

Walk through the cool air of amazing evergreen forests where rimu, totara, native beech, and the tallest of them all, the giant kauri, tower overhead and where the undergrowth is dense with native ferns, shrubs, mosses and lichens. And the fauna – the wildlife; somebody described New Zealand as the ultimate storehouse for discontinued zoological models. It's the place of the millennially ancient tuatara lizard, birds of beautiful song and flightless birds – the waddling native parrot kakapo, the takahe and the iconic kiwi. And the sea has its own unique environments and wildlife with native seals, dolphins and penguins.

Furthermore, New Zealand is renowned for its range of adventure activities, including bungy jumping, jetboat riding, rafting and skiing. But adventure means different things to different people, and the best aspect of the New Zealand adventure scene is that it provides activities rated from 'soft' to 'extreme' - from hiking and waterskiing, to mountain climbing and caving.

New Zealand's adventure tourism industry makes the most of a landscape surrounded by sea, criss-crossed by rivers and lakes, covered in native bush and with a central spine of spectacular snow-capped mountains. There's something for everyone who enjoys the outdoor lifestyle and the special sense of freedom the relatively sparsely populated land provides.

One country and so much nature and so much to see and do! At Sutra, we pride ourselves to look for opportunities to create an amazing holiday for you – to go wherever you like and do whatever you want. The best way to guarantee great memories is to leave the details to us. To simply put it, we make your entire visit our responsibility, from take-off at KLIA and return home safely.

So, what are you waiting! Get out and say – Kia Ora!

Note:

- *Kia Ora is New Zealand way of say 'WELCOME to New Zealand'*
- *Campervan holiday is also available for Australia.*
